21 June 2012

Water situation in Rehoboth

The United People`s Movement, its supporters and the residents of Rehoboth herewith would like to extend a word of thanks to the Hon Governor Me. Katrina Hanse – Himarwa and the Hon. Deputy Minister Peter Ilonga for their contribution towards the discussions to open the water supply to Rehoboth. The presence and initiatives of the Honorable Dieragaardt and Wambo is also appreciated.

The UPM is however convinced that the administrative staff is responsible for this situation and urged elected leaders to attend to this problem urgently to ensure that similar incidents does not occur in future.
